Dear Montana Marijuana Program Patient,

Your current Montana Medical Marijuana Card (MMC) will expire within the next 90 days. The renewal forms can be accessed and printed from the Montana Medical Marijuana website at:

www.dphhs.mt.gov/medicalmarijuana

The department will not be mailing out renewal packets. If you are unable to print the renewal packet from your home; please visit your local library which should have computers, printers and the internet available for your use.

To allow the department ample time to renew your current registry card, you must **print out and submit the following items at least 45 days prior to the expiration date of your current card:**

- 1) A completed & signed renewal application;**
- 2) A Physician's Renewal Statement signed by your Physician (Medical Doctor or Dr. of Osteopathy)**
- 3) A \$10.00 check or money order (*cash will not be accepted*) made payable to DPHHS.** (The fee was reduced for applicants whose cards expire after October 1, 2009.)

If your application is incomplete, it will be returned to you, which will delay the renewal process.

Please note a **"Renewal Application Form"** (which is printed from the above website) must be used. All other forms will not be accepted for renewal purposes.

If the department does not receive the completed and signed application materials prior to the expiration date on your current card, your card will expire and you will no longer be listed as a valid Medical Marijuana Patient.

If you have any questions concerning the renewal of your current Montana Medical Marijuana Registry Card, please contact this department at 444-0596 or 444-2676.

Sincerely,
Becky Fleming-Siebenaler, Chief
